Rapid Document Delivery

CARES Funding Proposals

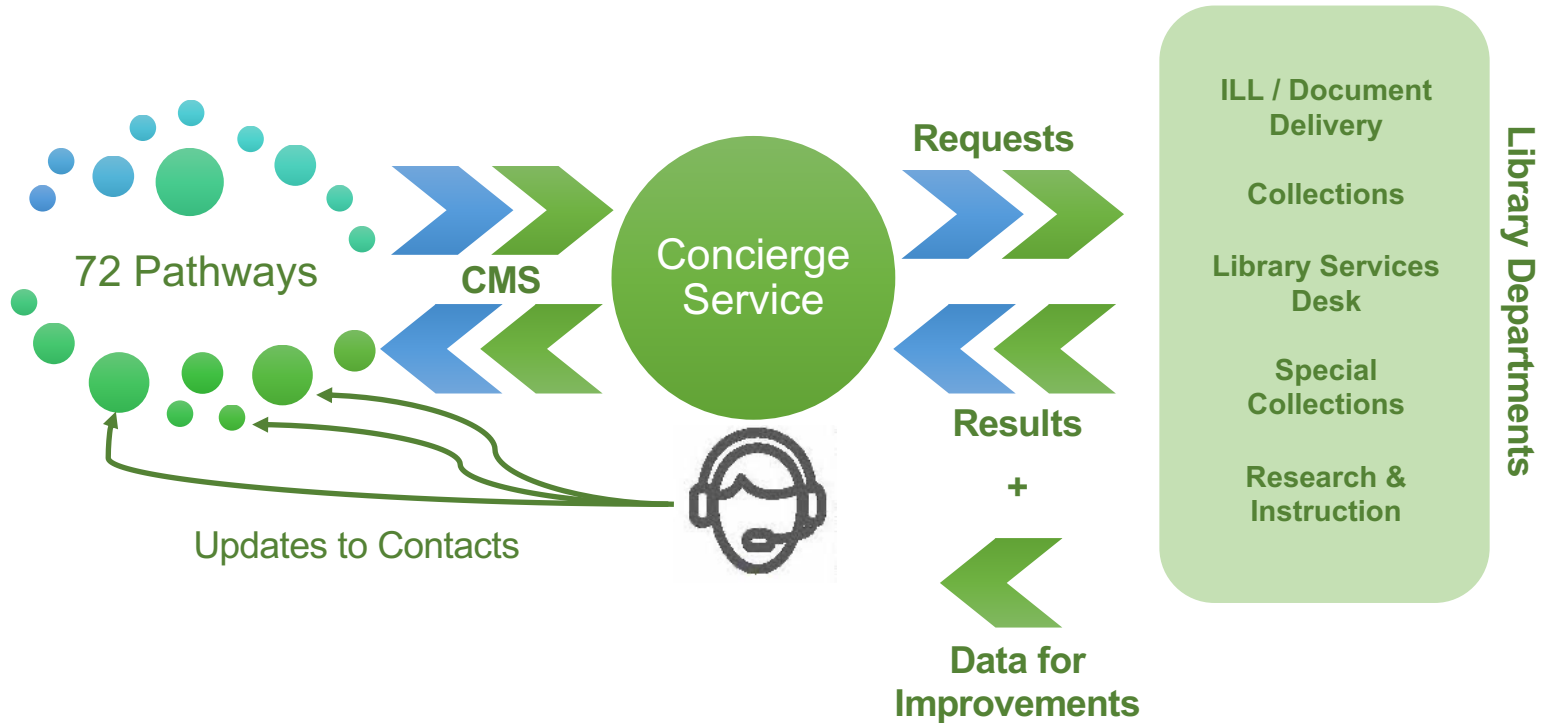

Faculty Input - We Are Listening!

- Input received from 57 faculty (plus four graduate students), some reporting on behalf of multiple faculty
- Faculty input spans 28 departments
- Specific comments on 601 unique titles

All will receive a response!

Concierge Service

Rapid Document Delivery - We Are Listening!

- Modelling on UNC service following their Elsevier cancellations
- No charge to the requestor (est. \$35/article for library)
- Requires faculty to select the expedited delivery option
- Exploring capacity in order to define turnaround and service hours

CARES Funding Proposals

- One each for databases, journals, ebooks
- If awarded, will use funds to purchase resources outright to offset future recurring obligations
- One of four infrastructure priorities forming the basis of a consensus among the Deans and Provost
- One-time funds only
- Rules for use are at present unclear
- No guarantees!

For more information concerning the “Revisioning Collection Management” process, including access to data, collection analyses, FAQs, and guides to accessing materials through alternative sources, please visit:
