

Business Cases for Educational Use

- The USF Libraries has licensed access to business cases for use in courses from the **Harvard Business Publishing Catalog** since January of 2018 with content made available through Canvas. The license to select this content **expired June 30th, 2021**, with courtesy access to previously selected content extended through August 6th.
- The price for this service increased 139% from the annualized initial term through the renewal ending June 2021, with **an additional 81% increase quoted to continue the service through 2022**, making this resource unsustainable.
- The connection in Canvas will be **removed August 6, 2021**.
- **Sage Business Cases** are now available through the USF Libraries from <http://ezproxy.lib.usf.edu/login?url=https://sk.sagepub.com/cases>. Contact your Business Librarian for access to the associated teaching resources.
