Subject: Faculty Q&A Sessions: Revisioning Collection Management

Hello LIB faculty!

The Collections Advisory Group (CAG) will be hosting two spring faculty Q&A sessions to review our Revisioning Collection Management process. These sessions will be the same as those offered in early December 2020. If you are interested in attending these sessions, please let me know and I'll send you the calendar invite/s. The email invite to USF faculty will be going out from the Provost's Office this week and can be found under my signature.

Thank you!
