

## Elsevier Science Direct journals package 2021

Statewide license expires December 31, 2021

This package contains subscriptions for Tampa and Health libraries at the University of South Florida. Subscriptions offer perpetual access, meaning we retain access to the years for which we subscribed if the package is cancelled. The Freedom Collection titles are Access only, meaning if the package is cancelled, access to all volumes 1995 to date of the Freedom Collection titles is lost.

All titles in this package are online format
